

BULLYING, INTIMIDATION & (Sexual) HARASSMENT

Bullying, intimidation, and (sexual) harassment are not acceptable in any form and will not be tolerated at school or any school-related activity, on school property, on school buses and transportation vehicles or through a school computer, network or other school electronic equipment. The school will protect students against retaliation for reporting incidents of bullying, intimidation, or (sexual) harassment, and will take disciplinary action against any student who participates in such conduct.

No person shall harass, intimidate or bully another based upon perceived race, color, nationality, sex, sexual orientation, gender-related identity or expression, ancestry, age, religion, creed, physical or mental disability, gender identity, order of protection status, status as homeless, or actual or potential marital or parental status, including pregnancy, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristic or any other distinguished characteristic. The school and district will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment.

BULLYING MEANS ANY SEVERE OR PERVASIVE PHYSICAL OR VERBAL ACT OR CONDUCT, INCLUDING COMMUNICATIONS MADE IN WRITING OR ELECTRONICALLY, DIRECTED TOWARD A STUDENT THAT IS OR CAN BE REASONABLY PREDICTED TO HAVE THE EFFECT OF: (1) PLACING THE STUDENT IN REASONABLE FEAR OF HARM TO THE STUDENT'S PERSON OR PROPERTY; (2) CAUSING A SUBSTANTIALLY DETRIMENTAL EFFECT ON THE STUDENT'S PHYSICAL OR MENTAL HEALTH; (3) SUBSTANTIALLY INTERFERES WITH THE STUDENT'S ACADEMIC PERFORMANCE; OR (4) SUBSTANTIALLY INTERFERES WITH THE STUDENT'S ABILITY TO PARTICIPATE IN OR BENEFIT FROM THE SERVICES, ACTIVITIES, OR PRIVILEGES PROVIDED BY THE SCHOOL.

Examples of prohibited conduct include, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment, or other comparable conduct.

Students who believe they are victims of bullying, intimidation or harassment or have witnessed such activities are encouraged to discuss the matter with the student nondiscrimination coordinator, building administrator or a complaint manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

Any student who is determined, after an investigation, to have engaged in bullying, intimidation or harassment will be subject to disciplinary consequences as provided in this handbook, including but not limited to, suspension and expulsion consistent with the school and district's discipline policy. Parents of students who have engaged in the above behavior will be notified. Any student making a knowingly false accusation regarding harassment may also be subject to disciplinary consequences.

Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is **prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.

2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a district or school to staff or monitor any non-school-related activity, function, or program.
